

Connect with retail investors

An open dialogue and transparent communication with retail investors is essential to gain trust and manage expectations. Good Investor Relations entails providing accurate, timely and transparent information about the performance of your business and its goals.

IEX - the biggest investment community in the Netherlands - can help reach your target group by implementing a wide variety of investor relation tools for your company during:

- Quarterly results
- Shareholder meetings
- Roadshows
- Investor tours
- IPOs
- Webcasts
- Special events and ongoing investor relations

Investor Relation Tools Button

A fixed position showing your message on the homepage of IEX.nl with more than 280.000 unique visitors per month. Great for promoting shareholder meetings, year end results, webcasts and

other events.

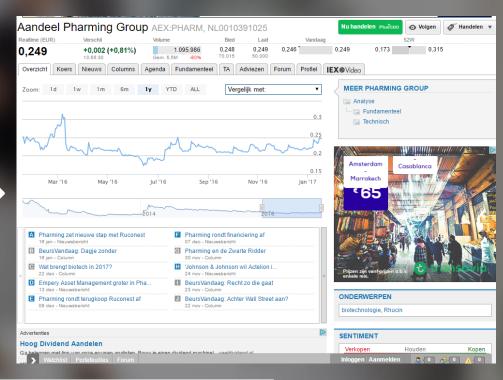

Investor Relation Tools Textlink Forum & stocks

Our forum is the most active financial forum in The Netherlands with over 250.000 page views per month.

A textlink on your stock page or the entire forum will reach a target group that is specifically looking for more information about your company.

TA: Nieuwe tweede schouder

Bas Heijink | 10 jul

De AEX zit net als veel andere indices middenin de terugvalfase. Ik verwacht dat binnen enkele dagen een bodem op de borden kan staan en de AEX opnieuw richting de recente top van 316,20 en hoger kan oplopen.

De recente top werd na een versteiling van de trend boven het reguliere stijgende trendkanaal geplaatst net onder de horizontale weerstand van 316,70. Op slotbasis bleef de koers onder het 61,8%-Fibonacci-retracementniveau van 315.80.

De vorming van een doii en de driedaagse evening star zorgde voor de

Investor Relation Tools Online Seminar

- A unique way to present your company story and interact with your target audience.
- IEX offers the complete package from promotion, presenter, moderator, studio, software & end report.
- Large interaction and high appreciation
- Include call2actions to activate your target group
- After the seminar you will receive the contact details of interested participants

Investor Relation Tools Investor Tour

- Interactive Interview modelled on College Tour
- Developed for CEOs of listed companies
- All will be well documented on IEX.nl

Investor Relation Tools Community call

A Community Call enables investors to ask question to the CEO of a listed company. A great way to present yourself as a transparant and accessible company.

IEX organises the whole procedure:

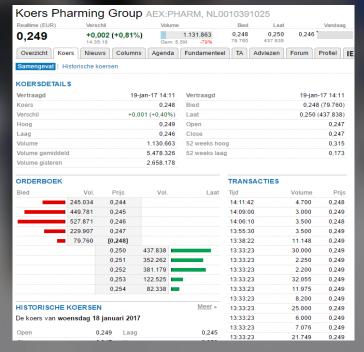

- Raises awareness through a button on the entire IEX Channel
- Collects and classifies all the questions
- Helps to structure the answers
- Questions and Answers are published and promoted on IEX.nl

Investor Relation Tools Earned media

Presenting your company story on owned and paid media is very important. Having your story told by an editor of IEX will enhance the credibility of the story. Our editors are well informed and are able to create reach.

Zoals eerder deze week, toen we de eerste aflevering van de IEX Beleggerstour

beleefden, bij Ahold in Zaandam. Topman Dick Boer beantwoordde een uur lang

expansieplannen, de terugkoop van aandelen, de oprukkende online-verkopen,

het videoverslag van de Beleggerstour Ahold plus een aantal highlights.

Er waren geen verboden onderwerpen en dus kwam er veel aan de orde: eventuele

duurzaam winkelen, de Nederlandse consumentenmarkt en de drie pijlers onder de
